

Tennessee Pollution Prevention Partnership Green Schools Awards 2004

ELIGIBILITY:

For the 2004 awards year, all schools that apply for an award must be at least a Pledge member in the Tennessee Pollution Prevention Partnership (TP3) Green Schools Program. Public or private elementary, middle, and high schools will compete equally. Five awards will be given statewide, one in each pollution prevention area (defined below). [Click here](http://www.tdec.net/dca/tp3grschools.php) for more information on TP3 Green Schools (<http://www.tdec.net/dca/tp3grschools.php>). **Suggested projects** that some of our Green Schools are planning or have already accomplished can be found at <http://www.tdec.net/dca/schoolprojects.php>

PURPOSE:

To recognize TP3 Green Schools that have completed an outstanding project within the past year in one of these five pollution prevention areas:

- Clean air
- Energy efficiency/conservation
- Hazardous materials management/reduction
- Land and water conservation
- Solid waste reduction

Each school may send in an entry for more than one project area.

JUDGING CRITERIA:

1. Participation by the student body
2. Participation by the community
3. Innovative approach to the project
4. Environmental education merits
5. Measurable pollution prevented
